ecobasket™ shopping baskets from vanguard

combining **environmental** benefits with Vanguard **design**

Embrace the green revolution with **ecobasket™** from Vanguard, our innovative new line of eco-friendly shopping baskets.

25% of each basket is made from post-consumer, recycled plastic bottles.

- Every one has the same **quality & strength** of regular Vanguard baskets
- Showcases your company's commitment to **environmentally-friendly** initiatives

Vanguard®

less waste

ecobaskets™ are proof that plastic bottles (or plastic waste, in general) can be reborn to create beneficial and sustainable products. Our shopping baskets keep 100,000's of plastic bottles out of landfills and provide consumers with the same, if not better, shopping experience

stronger image

Our **ecobaskets™** demonstrate your company's commitment to the sustainability of the environment. This, in turn, can increase customer loyalty and strengthen your image as a **green** corporation.

superior quality

ecobaskets™ do not compromise quality. Using our innovative design and premium raw materials we guarantee extended durability and strength.

innovative design

Vanguard's innovative design features like Comfort Grip handles enhance the shopping experience, which leads to customers shopping longer and buying more.

it's time to go **green**

25% of every **ecobasket™** is made from recycled plastic.
